*Upon completion of this course, physicians should be able to:

- Describe the domains of physician communication with other professionals
- Identify the relationships between good communication and the prevention of medical errors and sentinel events.
- Recognize that communication between physicians affects quality of care and patient experience.
- Explain the physician’s ethical responsibilities of communication with delegated and supervised team members.
- Define competencies that are expected in physician leaders.

The Texas Medical Association is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education to physicians. The TMA designates this live activity for a maximum of 1 AMA PRA Category 1 Credit. Physicians should claim on the credit commensurate with the extent of their participation in the activity. Texas Medical Association has designated this course for 1 credit in ethics and/or professional responsibility education.
